

MATERIAL

walnut plywood, solid walnut base (shown)

DIMENSIONS

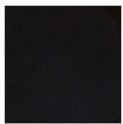

16"W x 20"D x 24"H (shown)

PRICE RANGE

\$699 and up

Similar to the Sofia nightstand, the Jake nightstand is meant to work with all our beds, as well as the Sofia dressers. The Jake has a minimal design, with an open bottom and only one drawer. As always, the drawer is under-mounted and self-closing, to keep the look clean. The sides and top are grain-matched to add to the simple beauty. Drawers can be inset or flush. Please don't hesitate to call our design studio to learn more about finish and size options at 415-647-6446.
